

Movement in The World

Turning

Turning 45 degrees costs 2 squares of movement. If using fractions then this is about 1.6

Turning 90 degrees costs 3 squares of movement. If using fractions then this is about 3.1

Stronghold

If you lose your Stronghold, you may not place any new units in [The World](#).

When placing a new Stronghold, it must be as far away from every other Stronghold or enemy unit as possible.

Generals

Each General generates 1D6 Pips per turn. An army can only have one General for every 75 points of size.

If an army loses it's General, Pips may only be bought in [your Realm](#)

Pip Costs

- Move element or group of elements (groups must move straight ahead, wheel or form column only) **1**
 - Extra if element or group contains Aerials or Magician **+1**
 - Extra if general is lost or element or group is out of sight and >12 away or greater than 24 away **+1**
- Deploy Lurker (1st time) **1**
 - Deploy Lurker (2nd time) **2**
 - Deploy Lurker (3rd time) **3**
- Replace Horde **1**

- Replace desorcelled Magician or Hero **6**
- Deploy a single God **6**
