

# The Shadow Play

Go Back to [start](#)

'One Great House falls while another one rises...'

Justine finds out how well she fits the glass slipper; a baptism of fire turns into the agony of diplomacy; Miss Lolita gives a lesson in the correct use of weaponry; General Kine discovers that it's easier to disarm a Sontaran than a Cousin; Eliza becomes an accomplice to vehicle theft (on a grand scale); and one Great House falls while another one rises.
