

A Labyrinth of Histories

Go Back to [start](#)

'The Great Houses send in the troops while the bearer of the Grandfather's shadow takes on the world...'

An arms race in under three minutes, courtesy of Cousin Shuncucker; the Godfathers make an unlikely wager; a criminal mastermind explains her grudge against the Faction, or at least one particular member; Justine gets blooded and learns the rules of the hunt; the minotaur in the library introduces himself; and the Great Houses send in the troops while the bearer of the Grandfather's shadow takes on the world.
