Faction Paradox, like any political organisation, is divided into chapters: there are departments, or wings, to deal with specific areas of concern. For example, there's a military wing, entirely devoted to the training of Cousins under battle conditions, a bio-research wing, currently dedicated to the development and application of biodata viruses (bio-weapons which re-write the biology of a victim retroactively, thus having a mutagenic effect from the day that victim was born) while the section which handles the initiation rites of new Cousins, and oversees the binding of weaponry, is very nearly a cult in itself. The title of Godfather or Godmother is granted to the head of any such department.

Unlike the Fathers and Mothers, the Godfathers and Godmothers seldom leave the Eleven-Day Empire. Within the city there are any number of buried facilities and testing-grounds, and those Cousins trained by the military wing are among the few who permanently reside in the Eleven-Day Empire itself. Traditionally, one of the Godfathers or Godmothers will also perform the duty of Acting Speaker in the Parliament: the Speaker's Chair itself remains vacant, as it has done ever since the Parliament was founded, awaiting the return of the Grandfather. Not, of course, that anybody expects this to happen in the near future.
