

# Miniature Trades and Sales

WIP

## Companies I like

Harlequin, Crooked Dice, Northstar, Warlord, Eureka Miniatures

## Scales I like

- 25-28mm for any genre
- 15mm for scifi

## Ranges and Franchises I collect

- Doctor Who
- Judge Dredd
- Aliens Vs Predator
- Other UK Scifi (Blake's 7, Prisoner etc) - anything that would fit the 7TV rules from Crooked Dice
- Steampunk and VSF / historic Victorian/Cowboy period including supernatural/League of Extraordinary Gentlemen anything that would fit In Her Majesty's Name or Empire of the Dead. Gaspunk also.
- Generic non-military scifi (ie civilians) ideally for roleplaying characters (from gonzo to gritty) primarily for Five Parsecs From Home do quasi Traveller or Star Trek
- Generic non-military fantasy (ie civilians) ideally for roleplaying characters (ideally dark and gritty)
