

# The Elevator Operator 2

By DEFCON Clown([original post](#))

The hotel elevator is so old that it has an operator. His name is Greg, I mean Gregory, um Gordon, maybe it was Jordan, or Jordie, was it Jamie? No one in the hotel is sure of what his name is, if the PCs are all together and they ask him they will each hear a different, yet similar sounding name.

At least they can all agree that he's a short black man, no he's average height but he's hispanic, no he's tall and white, are you kidding he's very short and brazilian.

No one can ever agree on what the elevator operator's name is or what he looks like.

Wait...

What do you mean "he"?
