

The Exterminator

By i3ullseye ([original post](#))

Slightly odd fidgety guy, with thick glasses. He seems to be in the hotel 2 or 3 times a day. Always with a tank of checmicals, spritzing and spraying corners. Thing is, there never seems to be any sign of rats or roaches. No evidence of anything at all. And the guy shows up in peoples rooms form time to time.

What is he spraying?
