

# Ray

By csyphrett ([original post](#))

Dark haired man who drives a black 69 corvette. A lot of people seem to owe him favors, and if you have a problem, he'll help you too. All you have to do is pay the favor back at some undetermined time in the future.

If his fingerprints are ran through the system, they always match a Ray, but the picture that goes with the photograph never matches the Ray who lives in the hotel.
