

# The FBI Guy

By McCoy ([original post](#))

A not unattractive man in his late thirty's, always wears a nice if somewhat rumpled three piece suit. Housekeeping says he has a truly impressive collection of pornographic magazines.

Claims to be a retired FBI agent (FBI will neither confirm nor deny). Unlike Wheelchair Cop has no useful contacts. Does have a detailed file on most of the other guest, with an elaborate conspiracy theory for each of them.

A very goodlooking young woman, who claims to be his doctor, comes to visit every Friday morning.
