

The Helpful Old Lady

By Basil ([original post](#))

If anyone takes the stairs, down from the 3rd, or any higher, floor (2nd floor for the British) he will meet an old lady, who will insist on “helping” him down the stairs. She shows up every time the N/PC goes down the stairs, joining him on the 3rd floor, or the landing if he's going through.

She's fluttery, scatty, but not too trembly/unsteady. No amount of insisting help isn't needed will get rid of her.

That is, until the N/PC asks around about who she is. She isn't registered at the hotel, no-one knows her name or anything about her. Once a person asks about her, he'll never see her again.
