

# Squat Racial Package Deal

There is some controversy among gamers about the removal of the Squats from WH40K's continuity. It's been said that they were eaten, every last one of them, by Tyranids. I don't buy it. Even if you do go with the 700 Clans falling to the Great Devourer, there might still be one or two in some Inquisitional Retinue somewhere.

Cost	Name	END
	Squat RPD	
5	1) <b>Sturdy:</b> +5 STR	1
6	2) <b>Sturdy:</b> +3 CON	

## 11 Total Powers Cost
