

# Bad puns and situations

"Humour" for Simon.

You open the control and see:  
A maze of twisty little wires, all alike.

"Hmm, this circuit should contain a capacitor, not a flux capacitor."  
Goes to storage room and checks the box the flux capacitor came in.  
"Just as I thought, a bad case of flux"

Ripper in the sewer - just to prove that whatta (water?) you ripper you sewer.  
King of Jack and sewer.

Vorlon as angel.

Vincent and Pansy throughout history as bumbling bad couple.
