About the others:

- **Evelyn**
 - She's one of those depressingly cheerful, carefree spirits you just want to slap sometimes. Her head is always in the clouds reciting poetry. She's got as much common sense as a newt. A dead one. The only reason your mother adopted her was because she was good friends of her parents up until their tragic death.
- **Lionel**
 - Some posh git. He seems to be very sensible and businesslike all the time. But despite all that, he still sees something in Evelyn. He's a gentleman with lands and money, but never seems to smile. At least that's a start.
- **Ortensia**
 - You've only ever heard Mother refer to Ortensia, not having met her in person before. A young lady of ambition and modern in her attitudes. Possibly not as much a waste as the rest of the family. She's the daughter of your older sister (Felicity)- who died mysteriously with her husband quite recently. Ortensia will be staying with you until she's old enough to look after herself.
- **Uncle Victor**
 - Although you've lived in the same manor with Uncle Victor for years, you've rarely seen him. He disappears for hours or days at a time. When you do bump into him, usually by the elevators, he always seems to reek of strange smells. I highly learned gentleman, but not very sociable - often eating alone.
- **Aleister**
 - Aleister is a cad and a socialite. He drinks too much, he smokes far too much, and he takes far too many liberties with the female staff. He's far too friendly for his own good and seems to spend all his time wasting it.
- **Sister Gwynneth**
 - You've seen sister Gwynneth come by occasionally - she seems very nice and talkative, but often wants to chat privately with Lady Kaye.
- **Cain**
 - A farmhand. A very rough peasant type. Simple and crude.
- **Jeeves**

- He's the butler. He's always been there. He apparently has no life of his own and always appears to be working as efficiently as possible. You've only ever had (albeit very good) professional interactions with him.

Goal:**Motivation:****Personality:** Rather morbid**Reference:** Daria + Emily the Strange**Quote:** I'd like my whole family to do something together. Something that'll really make them suffer."**Costuming suggestions:** Victorian mourning clothes, because someone somewhere has just died.
