Repair module

Skill: Engineering
Difficulty: 11
Uses Module: No

Can be done Remotely: No

Energy: None

Can be done more than once per Round: Yes

Notes

From 1st Expansion: Galactic Civil War

If the fighter is used as a boarding missile, it is destroyed in the process.

A fighter moves 1 hex each phase, but for targetting purposes is regarded as speed 12.

Although a fighter may contain two passengers (or one power armour) the actions of the characters aboard cannot be the same (ie you may not do two Fighter Move actions in a phase etc).
