It's time to go!	Looked worse than it was!	Did you ever meet my mate?	Lucky shot!	Rainy day fund!
The crew may immediately end a battle, with all remaining characters escaping from the fight.	Ignore a roll on the Injury Table. The character recovers immediately.	Add a new character to your team immediately, even mid-battle. Place the model within 6" of any battlefield edge. They can act immediately.	If a character just missed a shot, turn it into a hit. Only applies to a single shot, even if the weapon rolls multiple attack dice.	Immediately add 1D6+5 credits to your available funds.
